VOUNTEERING

EXAMPLE OF HOW TO WRITE ABOUT...

VOLUNTEERING

Explain a little about the responsibilities that you were given as a volunteer.

“I have regularly spent my time volunteering in my local charity shop. This role has increased my confidence communication skills through speaking to lots of different people on a regular basis. I have helped to plan and run fundraiser events for the community. These key communication skills will help me to successfully communicate my ideas in seminars and work well as a team in project work during my degree. The sense of community spirit is also an important aspect whilst I am at university and I hope to carry on volunteering whilst at university to help my local community once again”

Don't forget your A B C's. Like Point, Evidence, Explain in English, we can use the acronym **ABC** to ensure we have covered everything in our super curricular example:
