These sessions are aimed at students who might have extra questions or worries about uni:

- students with experience of local authority care
- young carers
- students who are estranged from their parents
- refugee & asylum seeker students
- students with a disability, specific learning difficulty or mental health condition
- students attending alternative education provision

This is a chance to ask the questions that are most relevant for **you**, which might be:

- support and help for uni students
- how to choose a course and a university
- UCAS applications & personal statements
- student loans and finance

Sessions take place on MS Teams and are recorded for safeguarding purposes.
