Instructions

1. Print out this set of cards (they work best if printed on A3 paper or light card)
2. Cut out the Callers cards, and put them in an envelope or bag
3. Each player needs a Drinks Card and a pen or pencil
4. The Caller is in charge, and draws out a Callers card without looking, calling it out to the players. They call it 3 times to make sure everyone has heard.
5. When a player hears a call that matches a phrase or picture on their card they cross it out on their card
6. The Caller draws the next card and calls it out etc.
7. The first player to mark a row or column of 5 (horizontally, vertically or crosswise) calls out "hydrated" to win.
