Q&A DROP-IN SESSIONS

Our online Q&A drop-in sessions are open to anyone interested in learning more about our postgraduate programmes in Clinical Education and Leadership (PGCert, PGDip, MCLinEd Lead). These sessions are an opportunity to ask questions, clarify programme details, and explore which pathway best suits your career goals.

You will find out more about the structure and content of the programmes, the application process, and how these flexible, fully online, part-time options can be combined with full-time work. We'll also discuss how previous PGCert credits can be recognised, and how the programmes support progression to Fellowship of Advance HE.

The sessions will take place on Microsoft Teams. To receive the link to join, simply click the link below or scan the QR code and complete the short form.
