

POORLY BICYCLE?

Pre-book your beloved bicycle in to see Dr Bike for a free Health and Safety cycle check. Same day repair slots on a first come, first served basis so be quick!

Where: Behind Congregation Hall

When: Monday to Friday, 08:30–16:30

Email: enquiries@norwichbicyclerepaircoop.co.uk

Telephone: 07903 553 286 or 01603 503924

TOP TIPS

- ◇ Always wear a helmet, whether you're on the road, on a cycle lane, or off-road.
- ◇ Always use lights after dark; red for the rear light, and white for the front.
- ◇ Free-to-use tools, oil, and cycle pumps are available at Dr Bike.
- ◇ Users of the ZICER Locked Cycle Compound qualify to use a Cycle locker which is also free of charge!
- ◇ Showers are also available for cyclists to use. A map of shower locations on campus can be found on the UEA portal, just search 'showers'.
- ◇ There are lots of fun cycle routes in and around Norwich which can all be found here: <http://goo.gl/rrnuWz>

HOW TO FIND US

We're in the Lodge which is on the roundabout joining Chancellor's Drive and University drive.

Usually we're available from 07:30–19:30 Monday to Friday, and when we're not there then the UEA Security Officers should be able to help.

TRAVEL AND TRANSPORT

PROTECTING YOUR BICYCLE

CYCLE SELFIE

Norwich is small, the police know the thieves, and most stolen bicycles are recovered. You need to know the make, model, and ID number of your bicycle otherwise the police can't give it back. Take several photos of your bike, and email them to yourself. Make sure you photograph the ID numbers which can usually be found beneath the bottom bracket or on the head tube.

SECURING YOUR BICYCLE

99% of bikes stolen on campus use a cable lock. The other 1% are not locked.

Bikes locked with a good quality shackle lock do not get stolen.

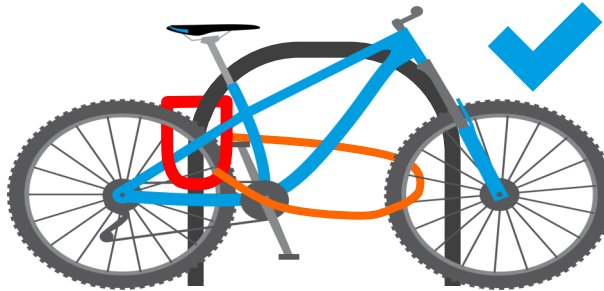

Shackle locks can be purchased from the Lodge, the Union Shop, or from Dr Bike, and loan locks are available from the lodge.

A good lock can cost as little as £10. If your bike is worth more than £10 then it's a worthwhile investment.

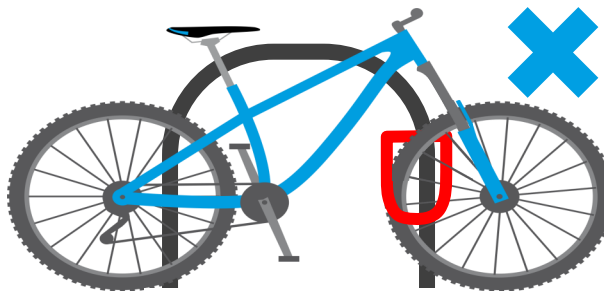

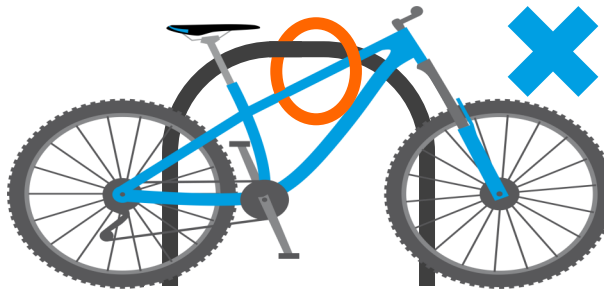

LOCK IT OR LOSE IT!

HOW TO LOCK YOUR BICYCLE

DO: Securely fasten the rear wheel and frame to a bicycle stand, and if you have a quick-release front wheel then secure this to the shackle lock with a cable.

DON'T: Locking only the rear or front wheel will mean your bike is at risk. Using only a cable lock will make it a target for thieves. **Never leave your bicycle unsecured.**

BICYCLE STORAGE

There are nearly 4,000 bicycle parking locations on campus. To view the map showing these locations on the UEA portal, simply search 'cycle parking'.

Apply for a space in one of the Locked Cycle compounds on campus. They are free of charge and offer that extra peace of mind. Entry codes are issued on a first come, first served basis and can be applied for through the Travel and Transport webpages.

UEA Security offer a free longer term bicycle storage on a first come, first served basis for those students wishing to leave their bicycles over the summer period.

Summer Cycle Storage: <https://goo.gl/7KQIUv>

ABANDONED, LOST OR STOLEN

Call Security immediately on 01603 592352 if your bicycle is not where you left it.

Bicycles believed to be abandoned on campus are removed from their locations after 1 month, and are kept in secure storage for a further month. Any bicycles found unlocked will also be removed and stored for a month. Many of these are never claimed.

Lost or stolen bicycles should be reported to UEA Security immediately.
