

School of Health Sciences Post-Registration, Postgraduate and CPD Drop Ins

Regular drop-in sessions are available for anyone wishing to take the next educational steps in their Health and Social Care career. We have several programmes to support and advance your clinical, educational, research, leadership and management practice.

The drop-in sessions are an opportunity for anyone who would like to discuss which educational pathway best suits their needs and individual circumstances. They are hosted by the Course Directors from the Post-registration and Postgraduate Taught portfolio of programmes and provide the opportunity to find out more and ask questions about our programmes, including:

- MSc Advanced Professional Practice
- MSc Advancing Healthcare Practice Programme (Distance)
- MSc Advanced Clinical Practitioner Master's degree Apprenticeship
- MSc Research and Quality Improvement in Health and Care
- MSc Management and Leadership in Health & Social Care
- MSc Global Public Health
- Stand-alone modules and continuing professional development (CPD)

Attendees can learn more about:

- The different programme structures and the Core and Optional module choices
- Entry criteria and how to meet the requirements
- Recognition of prior learning
- The application processes
- What support is required from employers
- Support for students who have not studied recently
- Funding options for study
- Ongoing student support

The sessions will be held via Microsoft Teams. Click the link below or scan the QR code to join a session at one of the times listed below:
