

Admission Requirements for Undergraduate Programmes - 2022/23

1. Admission of Students

In order to be considered for entry to an undergraduate course of the University candidates must comply with (1), (2) and (3) below:

(1) Candidates for the degrees of Bachelor of Arts, Bachelor of Laws, Bachelor of Engineering, Bachelor of Science, Bachelor of Physics, Master of Chemistry, Master of Computing Science, Master of Engineering, Master of Mathematics, Master of Natural Sciences, Master of Pharmacy, Master of Physics, Master of Sciences, and Bachelor of Medicine, Bachelor of Surgery. Such candidates must have satisfied the general requirements for admission (Regulations 2 and 3) and the course requirements (Regulation 5).

(2) Candidates Aged Under 18 at Registration

Whilst the University has no minimum or upper age limits on admission to the University, those applying for schemes of study who will be under 18 years of age at the point of intended registration will be required to comply with University procedures designed to satisfy existing child protection and other relevant legislation. Owing to current UK Visa and Immigration requirements, we are not able to sponsor any student under 16 for degree level study.

(3) Candidates with Criminal Convictions

Any candidate with an unspent criminal conviction (as defined under the terms of the Rehabilitation of Offenders Act) will be required to make a relevant declaration and comply with University procedures in relation to this area. Note that all programmes offered in the Faculty of Medicine and Health Sciences and the BA Social Work are exempt from the Act and all convictions must therefore be declared when making an application to these courses.

(4) Candidates requiring Immigration Permission to study in the UK

Such candidates must have provided satisfactory evidence of their right to study in the UK for the duration of their course. This would include obtaining leave to remain or leave to enter, under the University of East Anglia's Student Visa licence. They must also undertake to comply with all UK Visas and Immigration (UKVI) and University requirements regarding their duties and any associated immigration conditions.

(5) Documentary Evidence.

All candidates must provide documentary evidence of their qualifications before the point of registration. Candidates who cannot satisfy the requirements in (1) above may, in some cases be admitted to the University in accordance with the provisions of Regulation 4 below. Those applicants who fail to comply with stated University procedure in respect of (2) and (3) are refused entry to the University

2. General Requirements for Admission

In order to satisfy the general requirements for admission candidates should have one of the qualifications shown below.

UK Qualifications

(1) Certificates showing passes in General Certificate of Education (GCE) Advanced or Advanced Supplementary level examinations, Vocational Certificate of Education (VCE) Advanced level examinations, and in General Certificate of Secondary Education (GCSE) examinations in different subjects in one of the following patterns:

- (a) GCE A-level/GCE AS-level/VCE Advanced/GCSE passes in a minimum of five subjects, of which at least two subjects are at Advanced/A-level (or equivalent))
- (b) GCE A-level/GCE AS-level/VCE Advanced passes/GCSE in a minimum of four subjects, of which at least three subjects are at Advanced/A-level (or equivalent).

The certificates must be awarded by one of the examining bodies approved by the Department for Education or, in the case of certain overseas examining bodies, by the University.

Passes at GCE Ordinary level will be acceptable on the same basis as GCSE passes.

The following qualifications may also be acceptable to the University.

- (2) T Levels
- (3) A Higher National Certificate or Diploma.
- (4) An Ordinary National Certificate or Diploma, provided that the average performance in at least three of the subjects in the final examination is 60 per cent or better, and that these subjects are acceptable to the University.

3. English Language requirements

All International students entering study on a Tier 4 / Student visa must satisfy the minimum requirement for English language, as laid out by the UK Visas and Immigration (see Home Office website for current details), and also meet the specific

course requirements. Please consult with the Admissions Service for exact acceptable criteria.

European and other non-Tier 4 / Student visa students, Students with other types of immigration permission must also meet a minimum English language requirement. As the requirement differs from course to course, please consult with the Admissions Service for exact acceptable criteria.

Students who are entering the UK without a visa must also meet a minimum English language requirement. As the exact requirement differs from course to course, please consult with the Admissions Service for exact acceptable criteria.

4. Special Cases

The Head of the School of Study concerned may deem the following to have satisfied the general and course requirements for admission:

- (1) candidates who do not satisfy any of the requirements listed in Regulations 2 and 5, but who submit satisfactory evidence of having passed examinations which are deemed equivalent to any of those listed.
- (2) candidates who hold a full practicing professional qualification obtained by examination.
- (3) candidates who do not satisfy any of the requirements listed in Regulations 2 and 5, but who submit satisfactory evidence of the capacity and attainments requisite to enable them to pursue the course proposed.

The Head of School may similarly make these exceptions for Regulation 3 –English Language Requirements where they relate to a non-Tier 4 or Student Visa sponsored student.

For all Student Visa and Tier 4 sponsored students the UKVI regulations are absolute and no exceptions can be applied.

5. Course Requirements

In addition to the general requirements listed above, the following special requirements are prescribed for admission to particular courses. Candidates offering qualifications listed in Regulation 2 other than GCE A-level and GCSE which satisfy the general entry requirement shall be deemed to have satisfied the course requirements provided they offer appropriate subjects in those qualifications.

All students should have achieved at least Grade C or Grade 4 in both GCSE Mathematics and English Language. For selected courses in the School of Health Sciences Level 2 Functional Skills in English and Mathematics may be accepted. Please check with the Admissions Service.
