

Programme Overview	
Programme Title: Chemistry, Pharmacy and Pharmacology: Industry, Ethics and Effects	
Credit Value: 10 UCU (2 weeks)	Programme Level: 5 (UG Year 2)
Period: Summer (2 weeks)	Programme Dates: Block B: 12 July – 26 July 2025

Programme Description and Learning Outcomes	
Programme Description	<p>This programme provides an integrated approach to chemistry, pharmacy, and pharmacology, combining theoretical knowledge with hands-on experience.</p> <p>Students will gain knowledge on:</p> <ul style="list-style-type: none"> • Drug mechanisms and how drugs are developed • Developing practical skills in synthetic chemistry labs • How to synthesise and analyse pharmaceutical compounds. <p>This programme will also provide an insight into the role of a pharmacist, using practice-based scenarios to enhance student understanding of drug formulation, dispensing and patient care.</p>
Learning Objectives	<p>By the end of this programme, students will have a good understanding of how drugs are developed, will have developed practical skills in synthetic chemistry labs and will understand how to synthesise and analyse pharmaceutical compounds.</p>
Programme Assessment	<p>The programme is assessed using a combination of formative and summative work.</p> <p>The purpose of formative work is to assist you in developing your understanding and ideas for the summative assessment.</p> <p>Formative assessment: A presentation plan. Working in a group, you will be asked to formulate a plan for the presentation you will be required to deliver for your summative assignment.</p>

	<p>Summative assessment: Project presentation. With your group you will be asked to deliver a presentation (maximum of 10 minutes) in class. The presentation may include PowerPoint point slides, images and videos, and encourages you to be creative and critically reflective on what you have learned during the programme. Each presentation will be followed by questions from a panel.</p> <p>Credit is awarded on a pass/fail basis.</p>

Timetable

This is an example timetable for a 2-week programme. Final timetable details will be confirmed closer to the programme start date. Each programme will consist of 40 taught hours across the 2-week timetable.

	Morning	Afternoon			Evening
Monday					
Tuesday					
Wednesday					
Thursday					
Friday					
Saturday	Arrivals and airport transfers. Settle into campus accommodation.				Evening meal
Sunday	Breakfast	Induction and orientation to UEA and Norwich.			
WEEK ONE	07:00-09:30	09:30-12:00	12:00-14:00	14:00-16:00	16:00 onwards
Monday	Breakfast	Welcome, Programme Learning Outcomes, Expectations and Engagement	Break	Academic session	Social activity
Tuesday	Breakfast	Academic session	Break	Project work	Free time
Wednesday	Breakfast	Academic session	Break	Academic session	Social activity
Thursday	Breakfast	Academic session	Break	Project work	Free time
Friday	Breakfast	Academic session	Break	Academic session	Social activity
Saturday	Cultural group excursion				
Sunday	Free time to explore Norwich or further afield.				
WEEK TWO	07:00-09:30	09:30-12:00	12:00-14:00	14:00-16:00	16:00 onwards
Monday	Breakfast	Academic session	Break	Academic session	Free time
Tuesday	Breakfast	Academic session	Break	Project work	Social activity
Wednesday	Breakfast	Academic session	Break	Mock presentations	Free time
Thursday	Breakfast	Project work	Break	Preparations for final assessment	Free time
Friday	Breakfast	Preparations for final assessment	Break	Final assessment	Finale social activity
Saturday	Breakfast	Departures / Free time			
Sunday
