Dear Applicant,

Thank you for reaching out to the Justice Project and for the information you have provided so far.

To proceed, we kindly ask that you **complete and return the attached application form**. Once we have received your completed form, we will begin the initial review process.

Following this, we will provide you with feedback on whether your application meets our criteria for a more detailed review.

Please note that the Justice Project at UEA is a small project that meets once per week during term time to consider applications. Due to the high volume of applications that we receive, there may be a significant wait before you hear back from us.

We appreciate your patience and understanding.

With kind regards,
Louise Shorter
